S9 MSc-EMO 	Master Mention Economie Parcours Economie des Marchés et des Organisations		
			
Pré-requis : S7 ECO + S8 PREV			

OBJECTIFS / OBJECTIVES

How do markets work? How do firms make strategic choices? What determines demand and cost structure ?

The M2 EMO program combines a solid training in industrial organization, regulatory economics, and econometrics that give students a real expertise in the analysis of strategic aspects of a market, the identification of the determinants of the firms' economic performance in a market, and the evaluation of policies aimed at improving the market efficiency.
